G350 FEATURES

TFT DIGITAL DISPLAY: NAVIGATE WITH CLARITY

Durability meets agility with this display, which remains impeccably visible whether you're riding under the glaring sun or through a stormy downpour. Its luminous screen is a testament to functionality, ensuring that the vibrancy of the information is never dimmed by the elements. With this level of reliability, the TFT display becomes an invaluable companion on your journey, delivering data with precision and style. display screen made with TFT technology allows the screen to be displayed with sharp colours and a multi-function information display. Using a smartphone with the TFT screen: You can connect your smartphone to the scooter and use your phone's navigation apps.

DOUBLE ARM-LINK WITH BOSCH ABS BRAKING SYSTEM

Lambretta's G350 redefines the fusion of timeless style and innovative engineering with its state-of-the-art Bosch Dual Channel ABS braking system and the revolutionary double arm-link suspension. The G350 isn't just about capturing the essence of classic design; it's about elevating it with modern functionality to meet the demands of today's discerning rider.

HIGH PERFORMANCE ENGINE

Lambretta's G350 stands at the pinnacle of scooter performance, a marvel of engineering that is as powerful as it is poised. At the heart of its high-performance capabilities lies the meticulously crafted 330.1cc automatic engine, a powerhouse cooled by the most advanced liquid-cooled technology. This engine is not just about raw power; it's about delivering a smooth, responsive, and exhilarating ride that Lambretta enthusiasts have come to expect, whether riding solo or carrying a pillion on winding roads, around town or on dual carriageways and motorways.

FULL LED LIGHTING SYSTEM

The Lambretta G350's lighting system is a beacon of innovation, artfully crafted to enhance both visibility and heritage. With a full LED setup, it casts a bright and efficient light, ensuring superior driving safety around the clock. This isn't just about illumination; it's about a luminous legacy, thoughtfully updated for the modern era. Under the glow of the LED lights lies Lambretta's signature hexagonal design, a nod to the illustrious past, elegantly brought into the present. The iconic shape, recognized and revered, bridges generations of design philosophy, merging the classic with the contemporary.

LED REAR LIGHT WITH LOGO

The G350's rear light is an exquisite fusion of Lambretta's iconic heritage and contemporary innovation. Its classic design, infused with modern elements, holds a stunning feature: within the glow, the Lambretta logo emerges, a subtle yet striking homage to the brand's storied past. This elegant integration of branding and design not only enhances the scooter's aesthetics but also ensures a distinctive and beautiful presence on the road.

KEY TO MILANO

The ignition key of the Lambretta G350 is more than just a device to awaken its engine; it's a symbol of access to the heart of Milan, Italy's capital of fashion and finance. This key does not merely start your journey; it connects you to the essence of the country's wealthiest and most stylish metropolis. It's crafted not just to ignite the scooter but to embody the elegance and prosperity that Milan represents. With the G350 key in hand, you carry the spirit of Milan, turning every start into a statement of sophistication and success.

GLOVEBOX WITH USB CHARGER

The Lambretta G350 marries classic design with modern convenience, featuring a USB charger discreetly nestled within the glove box. This thoughtful addition ensures your digital devices are always powered, allowing you to stay connected, no matter where your journey takes you. It's about enhancing your ride with the conveniences you need, hidden right where you need them.

THE RAMPANT LION

The Lambretta badge is more than an emblem; it's a testament to the enduring appeal and steadfast values of a brand that has become a legend in its own right. It represents a commitment to quality, a nod to the past, and a forward-looking vision that continues to inspire confidence and pride in every Lambretta rider. Stand tall and ride with pride, for you carry the legacy of the rampant lion with you—a symbol of strength, self-awareness, and undeniable pride.egendary badge from the past that has been passed down to the present is engraved on the black rubber floor mat.

STYLE MILANO

The Lambretta badge is not just a piece of metal; it’s a testament to a legacy of quality and design. Emblazoned with the rampant lion, marked with ‘Stile Milano’, and signed by the visionary founder, Ferdinando Innocenti, it stands as a proud declaration of heritage. This emblem marries the past’s craftsmanship with the future’s vision, symbolizing a journey of enduring elegance and innovation. Each badge on our scooters reaffirms our commitment to beauty, performance, and unparalleled design.G350 is the characteristic silhouette of Mr. Innocenti the icon of Lambretta through Italian style.

UNDERSEAT STORAGE

The G350 features practicality as well as style with a luggage hook and under seat storage space big enough for some shopping or an open face crash helmet
